\$120,000

This 3 bedroom, 2 bath manufactured home in a very private and pretty wooded country setting is just about perfect. All of the rooms are spacious and the layout with 2 bedrooms and a bath at one end, the master bedroom and bath at the other end with the kitchen, dining area and living room in the middle is very thoughtful and comfortable. The spacious open kitchen boasts breakfast bar, ceramic tile counters and very nice cabinets. Financing available.

Addendum: The master bedroom bath is very luxurious with his and her vanities on either side of the inviting jacuzzi whirlpool tub. For those in a hurry, there is a nice shower, too. All this plus front and rear deck and fully fenced rear yard great for pets and kids. Short drive to Woodstock and Saugerties. No wondering about this one. Just buy, move in, lay back on one of the decks with your favorite beverage and relax in this restful setting.
