**\$220,000**

This completely redone 4 bedroom 3 bath brick home with a very cool tudor revival flair just minutes from skiing and summer festivals would make a great single family weekend and vacation get-a-way or big income furnished short term rental. Or use this lovely home when you can and rent to others when you can't. Since each floor has 2 bedrooms and a bath it is especially suited for either use. Gleaming hardwood floors, new roof, new boiler, new windows, new kitchen and baths. Full basement just waiting to be finished for more living and recreation space. Parcel includes 2 separate lots, one with the house on it and the other vacant land. Suggest checking with building and zoning concerning building on or selling off vacant lot.
